Good morning,

The University is currently upgrading its core technology systems, including Parent/Guest Access. Once the Upgrade is complete (planned for April 20), a new Parent/Guest Access system will be in place.

Because your Parent/Guest Access invitation was not completed before our systems went down on April 8, the authorizations given by your student will not transfer to the new system. Once the Upgrade is complete, students may start this process again at the new MyU by going to myu.umn.edu > My Info > Share My Information.

Please refer to the Changes to Parent/Guest Access to student accounts blog post for additional information and resources.

Regards,

One Stop Student Services
University of Minnesota
