Good afternoon,

You are receiving this email because you are currently on a waitlist for one or more classes. The University is currently undergoing a system-wide upgrade with a projected completion date of Monday, April 20. Until then, you are unable to change your enrollment, including adding or removing yourself from a waitlist.

Once the Upgrade is complete, a new waitlist process will go into effect. Starting May 1, if space becomes available for you in a class for which you have waitlisted, you will be automatically enrolled. This means you are entering into and agreeing to a legally binding contract to pay all tuition and fees and non-refundable fees. If you do not wish to be automatically enrolled in a class, you may drop yourself from the waitlist after the Upgrade is complete prior to May 1. If you are automatically enrolled in a class you no longer wish to take, you may drop it from your schedule.

Note: this automatic process will not complete if you have a time conflict in your schedule. If you are able to, please arrange your schedule to allow for the waitlisted class. You will receive an email if you are successfully enrolled from the waitlist.

How to guides have been created to show step-by-step instructions for how to add yourself to a waitlist and other common enrollment related tasks after the upgrade.

Please contact One Stop Student Services with any questions.

To ensure continued delivery, add onestop@umn.edu to your safe senders list or address book.
